## IMPACT ASSESSMENT

### 11 DIABETIC PATIENTS SUPPORTED THROUGH MONTHLY DIABETIC CAMP, KEM HOSPITAL, PUNE

MMF has been supporting monthly Diabetic Camps at KEM hospital over the last 8 years. Blood tests, medications and other support needed is identified with individual patients who are visiting this camp. Due to pandemic this month 1 patient underwent routine blood sugar testing and 10 were provided insulin

### 150 MINOR VICTIMS OF SEX TRAFFICKING SUPPORTED IN COLLABORATION WITH PRAJWALA

This World Day against Trafficking in Persons, together with Prajwala, a non profit spearheaded by Sunitha Krishnan, a Padmashree Awardee and a crusader against sex trafficking, Mukul Madhav Foundation is working towards empowering the survivors of sex trafficking. Every donation helps prevent, protect, rescue, rehabilitate & reintegrate the victims of sex trafficking in India. We are working towards shaping a world where we systematically break free from the shackles of sex trafficking so we no longer lose innocents to the dehumanizing flesh trade. Over 150 children who are the victims of commercial sexual exploitation would be benefitted.

**25 THALASSEMIA PATIENTS SUPPORTED** - Wishing Factory, Vadodara appealed to support their new Blood Transfusion Center in Vadodara serving Thalassemia patients. After due diligence, MMF extended their support for Blood transfusion, filters and medicine to 25 Thalassemia patients.

**5,000 MASKS STITCHED AT THE ECO-FRIENDLY HOLIDAY HOMES IN GADCHIROLI** - In the tribal village Tukum, Dhanora Block, district Gadchiroli girls and women are made to stay outside their homes while they menstruate. Converting this social challenge into an opportunity MMF have created a safe menstruation home where women are being trained to become self sustainable. We are happy to inform you that these women at the safe menstruation home stitched 5,000 three ply face masks. These face masks were handed over to the Govt. Health Dept., Gadchiroli and in turn has been distributed to health workers in interior areas

**443 STUDENTS PROVIDED VOCATIONAL TRAINING AT FIL URSE, MASAR & RATNAGIRI PLANT** - Since the inception, FIL has been training apprentices in various trades, locations and providing them "On-Job" training. After completion of the one year apprenticeship training, the trainees are being issued the certificate of completion by FIL which then helps these students to be eligible for National Council of Vocational Training (NCVT) examination. As on date 443 candidates have undergone training in the field of fitter, welder, technician, electrician, instrumentation and much more at various plants of FIL viz. Urse, Masar and Ratnagiri

**MUKUL MADHAV VIDYALAYA (MMV) ACHIEVED 100% RESULT** - It is indeed a proud moment to announce that our 1st batch of MMV students (2019-2020) has successfully passed the SSC examination. We have had 100% results, the lowest being 65% and highest being 92%. We congratulate all our students and wish them all the best in all their future endeavors!
