## Expansion work begins at Mukul Madhav Vidyalaya and Junior College.

Mukul Madhav Vidyalaya and Junior college initiated the construction work of expanding the Junior college building today. On the auspicious day of Vishvakarma Jayanti, who is mythologically considered to be the divine architect of the universe, a coconut was broken by Master Sagar Joshi, who is a student of Mukul Madhav Vidyalaya since Nursery. The rituals were performed in the presence of Mr. Soumya Chakrabarthi, Director Technical (FIL), Mr. Sagar Chiwate, AGM HR (FIL), Mr. Amit Ghorpade, Manager, Civil (FIL), Adv. Ruchi Mahajani (Legal Advisor), Adv. Gaurav Mahajani, Mr. Navin Bijlani (Principal) and other dignitaries. Master Sagar Joshi felt privileged to watch his school grow with him, and was emotional on breaking the coconut and initiating this expansion project.

### **Mukul Madhav Vidyalaya conducts session on School Safety.**

On the occasion of 53rd National Safety week, a session based on Safety was conducted for students of class 8, 9 and 11 of Mukul Madhav Vidyalaya by Mr. Omkar Pandit, Safety Officer, Fire & Safety Department of Finolex Industries Limited. National Safety Week is observed from 4th March to 10th March. Students of Mukul Madhav Vidyalaya got an opportunity to learn about the possible hazards one can come across in school. Students were informed about the significance of protecting society as a whole and how to prevent harm as much as possible. The Safety presentation aimed to nurture young minds for developing safety culture among the students with an aim of **ZERO HARM**.

The session highlighted for the students the tiny things we usually ignore - like cracked glass, slippery surfaces in washrooms, pointed articles and substances, fooling around in the premises etc. which may lead to serious injuries. Similarly, students were made aware on how to move around safely while at school and be cautious while using computers and laboratory equipment. Students were sensitized on the hazards of rushing and pushing at the school gate. Many other points concerning students were covered in the presentation which highlighted student's safety and good health focusing on 'no physical injury'. We are thankful to Finolex Industries Limited for arranging this valuable and important session at Mukul Madhav Vidyalaya which will help our students to tackle real life emergency situations with necessary caution.
